## How to Dispose of Unused Medicines

Most people throw their unused medicines in the garbage or flush them down the toilet; but there is a problem with disposing of medications this way. These medicinal compounds filter into the groundwater and end up in our lakes and streams.

Buffalo County will accept unused medicine for disposal except sharp syringes. A medical box is located on the Second Floor of the Courthouse. 407 S. 2nd Street, Alma, WI 54610

## Battery Disposal

Battery types accepted at BBC & Mondovi:  
Lithium, Nickel Cadmium (Rechargeable),  
and Sealed Lead Acid (Rechargeable)

See the Buffalo County website for additional information at [www.buffalocounty.com](http://www.buffalocounty.com)

## Paint

Oil Base Paint/spray cans of paint/paint products can be brought to Clean Sweep events.

Dry out latex paint with oil-dry or kitty litter and throw it in the trash.

Dried plastic paint containers can be recycled if #1, #2, or #5 plastic.

Buffalo County Recycling Site Locations

## BUFFALO COUNTY RECYCLING

All locations accept aluminum cans, tin cans, glass bottles and jars, magazines, cardboard, paper and plastic. Please see inside this brochure for a list of additional items accepted at select locations.

Washers and dryers, dishwashers, hot water heaters, stoves, microwaves and other metals may be deposited for free in the metal boxes located at the City of Mondovi, BBC in Cochrane and the Town of Nelson sites.

The City of Fountain City and the Towns of Glencoe, Montana and Waumandee do not participate in the Buffalo County Recycling Program. Residents of these municipalities need to please contact their clerk for assistance.
