WETLAND NOTICE

You are responsible for complying with state and federal laws concerning construction near or on wetlands, lakes and streams. Wetlands that are not associated with open water can be difficult to identify. Failure to comply may result in removal or modification of construction that violates the law or other penalties or costs. For more information, visit the Department of Natural Resources Wetlands Identification Web Page or contact a Department of Natural Resources Service Center.

APPLICANT SIGNATURE

I certify by my signature that all information presented herein is true to the best of my knowledge. I understand that I am subject to all applicable codes, statutes and ordinances of the City of Alma and the State of Wisconsin. Providing incorrect information may cause a delay in permit processing or denial. I give permission for the staff of the City of Alma Zoning Committee to enter upon my property for the purpose of verifying that the standards and requirements of the Zoning Ordinance are met.

EROSION CONTROL AND STORMWATER MANAGEMENT

Sediment and erosion control and stormwater management are an important aspect of all land disturbing activities. Additional review and permitting may be required if your site is within 300 feet of a stream or if your site is on steep slopes of 12% or greater. If your development activity will disturb one acre of land or more you are required to apply for a Conditional Use Permit and aWisconsin Pollution Discharge Elimination System (WPDES) permit from the Wisconsin Department of Natural Resources.
