PARKS AND RECREATION COMMITTEE

10:00 a.m.

Chairperson Davie Meier called the meeting to order with the following members present: Davie Meier, Loren Mueller, and Perry Iberg.

Also present: Mayor Richard Champeny, Foreman Joe Wick, and Clerk Linda Torgerson.

Meier reported that the City is waiting on the dirt for Rieck's Lake Park.

Discussion was held regarding the Buena Vista Park restrooms. Joe will look into a vent that will move more volume of air for the bathrooms.

Loren Mueller informed the committee that over 800 people attended the Art & Music Festival at the beach.

Signage for the bathrooms at the beach was discussed.

Removal of the gazebo at the beach was discussed.

Shelter at the beach was discussed. Joe suggested that a 20' x 40' shelter be looked at for the beach. Joe suggested talking to Randy Secrist or Jon Wisneski for estimates.

Meier brought to the attention of the committee that a person had received a parking ticket at Breckow's Landing. The vehicle had an ATV trailer attached to it. Discussion was held; no action was taken. It was suggested that those types of vehicles and trailers park at Rieck's Lake Park.

Joe informed the committee that the sewer pipe to the beach bathhouse was replaced with cast iron to PVC.

Joe stated to the committee that since the Little League wants a mower left at the beach, the City will be short of a mower and include that in the 2026 budget.

Motion by Mueller seconded by Meier to adjourn. All members voting yes.
